

The Truck Accident Attorneys

A Car Accident Resource

Keep this checklist in your vehicle. If you are in an accident, follow the steps below to ensure you take the appropriate actions and gather the necessary information at the scene.

When you're in an accident:

1. Remain calm.
2. Is anyone in your vehicle or another vehicle injured? If so, contact emergency help immediately.
3. Turn on your four-way hazard lights. If possible, move your vehicle onto the shoulder and out of traffic.
4. Get the other drivers' insurance information.
5. If possible, take photos of the damage and any other evidence (such as skid marks).
6. Cooperate with police.
7. Do not admit fault to anyone.
8. Contact your insurance company.
9. If you've been seriously injured in an accident caused by another driver, contact our attorneys.

Keep in Mind

Don't delay in getting the help you need. If you suffer serious injuries and face hefty medical expenses, an insurance company is likely not your best option. You should speak with an attorney. You only have two years to take legal action.
